Employment Sector

- For-profit company
- Non-profit
- Educational institution
- Government
- Start-up company

Graph showing the percentage of employment in different sectors.
**Job Relation to Major**

- My job does not seem related to my major or skills I developed at UW: 7.6%
- My job does not seem to be related to my major or the skills I learned from my major, but is related to skills I developed inside or outside the classroom at UW: 15.5%
- My major wasn’t required or preferred but the transferrable skills I learned from my major made me qualified for the job: 24.0%
- My major was required or preferred but the job duties are only partially related to my major: 21.1%
- My academic major at UW was required for this job and the job’s primary responsibilities directly relate to my major: 31.7%
**Employment Predictor:**
Undergrads who completed **2 or more internships** were statistically significantly **less likely** to still be **looking for work** than would be expected by chance.

---

**How Undergrads Found Jobs**
- Networking (35.6%)
- Internet (26.0%)
- Previous Experience with Employer (20.8%)
- Career Services (13.7%)
- Other (3.9%)

**When June Grads Found Jobs**
- Before graduation (46%)
- After graduation (54%)

**Internships Completed**
- 0 internships (41.6%)
- 1 internship (30.3%)
- 2+ internships (28.1%)
