Puget Sound
Career & Job Resources

The UW Career Center provides services to current UW students and alumni. This list identifies community career and job search resources available to the public, primarily at no or minimal fees.

WASHINGTON STATE WORKSOURCE CENTERS

WorkSource Centers are located throughout the state and all services are available to the public. They provide information, technology, self-service, group presentations and activities, one-on-one counseling, access to employment and training. worksourceskc.org/
